

City of Tallahassee Community Redevelopment Agency FY 2019 Downtown Large Event Grant Program Guidelines

The City of Tallahassee Community Redevelopment Agency (CRA) Downtown Large Event Program was approved by the CRA Board in September 2018. Large events are defined as events that have the potential of generating hotel stays through the attraction of a regional audience (including attendees from other states) and generate economic activity in the Downtown District. Organizations wishing to receive funding assistance for their event must submit the CRA FY 2019 Downtown Large Event Grant application for review and ranking by CRA staff. Application forms are available online at <http://www.talgov.com/cra> or from the CRA office listed below.

A grant committee consisting of at least three committee members will score and rank the applications. The CRA reserves the right to reject any application that is not substantially complete or is not consistent with the goals and objectives of the Downtown District Community Redevelopment Plan. Each application will be scored based on the applicant responses and supporting materials. An application will be ranked based on its score out of a total of 100 points. Applicants must score a minimum of 70 points to be considered for funding. Funding will be provided to the highest ranked applications until funds are depleted. Notification will be made initially via email, to be followed by a written notification. Grants of \$10,000 will be approved by the CRA Executive Director; grants in excess of \$10,000 will be approved by the CRA Board.

Grant Agreement and Insurance Requirement

Grant funds shall only be provided for events after grant applications have been approved and the recipient has entered into a grant agreement with the CRA. All applicants selected to receive grant funds under this program will be required to enter into a written agreement with the CRA outlining the various grant requirements. For events occurring on City property, recipients will need to provide documentation of general liability insurance within thirty (30) days prior to the event. The level of coverage will depend upon the type of event. Recipients are also required to obtain and maintain commercial general liability insurance, naming the CRA and the City of Tallahassee as additional insured, with a liability limit of no less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate. Funding Disbursements

Unless agreed in writing and is outlined in the grant agreement, CRA grant funds shall be delivered to the successful applicant(s) after the event has occurred and CRA staff have reviewed and approved the Post-Event Report. A minimum of 50% of the grant funds may be provided prior to the event if agreed upon in writing by the CRA and proper documentation and proof of payment is provided before funds are released. Proof of payment may be submitted in the form of a vendor receipt and a front & back copy of cleared check or credit card receipt. Cash receipts can be accepted for reimbursements; however, using a check or credit card is preferred. Written confirmation from vendor that expenditure has been paid in full is necessary if only a copy of the front of the cleared check is provided. A completed Post-Event Report is required to be submitted and approved 60 days after the event.

The City of Tallahassee works under the State of Florida Prompt Payment Policy where payments are made in a prompt and timely manner given all required documentation has been properly completed in accordance with the requirements of the CRA.

Although most grant awards will be based on the highest ranked applications until all funds are depleted, the CRA reserves the right to make an award for less than the amount requested by an applicant.

Criteria for Evaluating and Ranking of Applications

Grant funds will be awarded on a competitive basis. CRA staff will review all grant applications received during the annual cycle to determine if they meet the grant objectives and requirements. A grant review committee consisting of at least three members will score and rank the applications. An application will be ranked based on its score out of a total of 100 possible points. Funding will be provided to the highest ranked applications with a minimum score of 70

points. Applications scoring below 70 will not be considered for funding. As noted above, the CRA reserves the right to make an award for less than the amount requested by an applicant.

To be considered for funding, the location of the proposed event must be within the boundaries of the Downtown District. If the location of the event is outside of the Downtown District, the event is NOT eligible for grant funds under this program;

Post-Event Reporting

All grant recipients will be required to submit a post-event report documenting the detailed expenditures of CRA and other funds and providing a self-assessment regarding the success of the event, including a comparison of the original grant application criteria with the final results of the event.
