This is Not a Permit Application

I hereby request an estimate of water and sewer connection fees associated with this proposed project. I understand that these fees are City of Tallahassee Water Utility Fees. I further understand this fee estimate is based on the data provided by the applicant on this form, and that the actual costs will be determined at completion of the permit application process and will be based upon the final permitted project plans. The final cost of the fees may change if data provided for this estimate was incorrect and/or incomplete.
