City of Tallahassee Material Revision of Citizen Participation Plan

Annually, the City of Tallahassee's (City) Department of Community Housing and Human Services (CHHS) receives funding from the U.S. Department of Housing and Urban Development (HUD). As such, HUD requires the City to adopt and follow a citizen participation plan (CPP) pursuant 24 CFR 91.105. While the City has a CPP in effect, a change in federal regulations requires a material revision to the CPP to be in compliance with 24 CFR 91.105, as amended. A draft revised CPP is available electronically at <http://www.talgov.com/ecd/ecdHome.aspx> identified as *Citizen Participation Plan Proposed Draft*. The version of the CPP currently in effect is also available at the same site identified as *Citizen Participation Plan 6-2015*. Printed copies of the current and draft revised CPP are also available upon request by calling 850-891-6566 or visiting CHSS offices located on the third floor of the Renaissance Building, 435 N. Macomb Street, Tallahassee, Florida.

Beginning immediately, all interested parties are invited to provide comments on the proposed draft. Comments may be submitted up through 5:00 PM on March 6, 2017, by email to Joyce.Olaves@talgov.com, hand delivered to CHHS offices at the location shown in the previous paragraph, or in mailed to:
