

Section 10-6.649. CP Commercial Parkway District

1. District Intent	PERMITTED USES	
	2. Principal Uses	3. Accessory Uses
<p>The CP district is intended to be located in areas designated Suburban on the future land use map of the comprehensive plan and shall apply to areas exhibiting an existing development pattern of office, general commercial, community facilities, and intensive automotive commercial development abutting urban area arterial roadways with high traffic volumes. The CP district is characterized by a linear pattern of development. The access management standards set forth in the CP district addressing limitations placed on access are intended to minimize and control ingress and egress to arterial roadways and to promote smooth and safe traffic flow of the general traveling public.</p> <p>To encourage the benefits from mixed use development where residences are located in close proximity to the office and commercial uses allowed within the district including convenience and opportunity for residents and improved market access for business establishments, medium density multi-family residential development up to a maximum of 16 dwelling units per acre is allowed.</p> <p>Reuse of existing single use sites for multiple use developments, adding new uses to single use sites and/or multiple use developments in the CP district that share parking facilities, have parking structures and/or have high floor area ratios are encouraged in the CP district.</p> <p>The principles of traditional neighborhood developments are encouraged, though not required.</p> <p>New CP districts in the Suburban FLUM category shall have access to arterial or major collector streets.</p>	<p>(1) Antique shops. DEVELOPMENT STANDARDS (continued from page 1 of 2)

7. Access Management Criteria (In case of a conflict with the provisions of other ordinances or regulations, the most strict provisions shall apply):

Capital Circle from Centerville clockwise to I-10

Driveway access to Capital Circle from Centerville Road in the northeast to I-10 in the northwest is prohibited except for:

- a) Existing driveway access as of December 31, 1995;
- b) A single driveway access for properties in existence before December 31, 1995 which have sole access to Capital Circle and do not have other street access; and
- c) Temporary driveway access which may be permitted for properties which establish permanent access to another public street and grant the City or County the right to close the temporary access without compensation upon conversion of Capital Circle to a limited access or controlled access roadway.

All Arterials and Major Collectors: Full movement access to an arterial or major collector shall not be permitted closer than 330 feet to another full movement access point, nor within 660 feet of a signalized intersection. Right-in/right-out access to an arterial or major collector shall not be permitted closer than 330 feet to another access point, nor within 100 feet of a signalized intersection, except properties with sole access to an arterial or major collector are permitted at least one right-in/right-out access point. Properties with 660 feet or more of arterial and major collector frontage may be permitted multiple accesses to a single street based upon a traffic safety and capacity evaluation. All development fronting on an arterial or major collector shall record a joint access and cross easement benefiting adjoining properties fronting on the same arterial or major collector.

Minor Collectors

Full movement access to a minor collector shall not be permitted closer than 200 feet to another full movement access point, nor within 400 feet of a signalized intersection. Right-in/right-out access to a minor collector shall not be permitted closer than 100 feet to another access point, nor within 200 feet of a signalized intersection.

Local Streets

Full movement access to a local street shall not be permitted within 200 feet of a signalized intersection. Right-in/right-out access to a local street shall not be permitted closer than 100 feet to another access point or intersecting public street, nor within 200 feet of a signalized intersection.

8. Street Vehicular Access Restrictions: Properties in the CP zoning district may have vehicular access to any type of street. However, in order to protect residential areas and neighborhoods from nonresidential traffic, vehicular access to a local street is prohibited if one of the following zoning districts is located on the other side of the local street directly across from where the vehicular access point is proposed: RA, R-1, R-2, R-3, R-4, R-5, MH, MR-1, RP-1, RP-2, RP-MH, RP-UF, and RP-R.

9. Additional Criteria for Charitable Donation Stations: Such station shall have indoor storage for all donations, and shall have an attendant available during normal business hours responsible for the collection and/or storage of said donations. A "charitable donation station" is considered a community service/facility regulated by Section 10-6.806 of these regulations.

GENERAL NOTES:

1. If central sanitary sewer is not available, residential development is limited to a minimum of 0.50 acre lots and non-residential development is limited to a maximum of 5,000 square feet of building area or a 500 gallon septic tank. Also, refer to Sanitary Sewer Policy 2.1.12 of the Comprehensive Plan for additional requirements.
2. Refer to the Environmental Management Act (EMA) for information pertaining to the regulation of environmental features (preservation/conservation features), stormwater management requirements, etc.
3. Refer to the Concurrency Management Ordinance for information pertaining to the availability of capacity for certain public facilities (roads, parts, etc.).
