City Commission Policy 802

StarMetro Advertising Policy

DEPARTMENT: StarMetro

DATE ADOPTED: January 28, 2015

DATE OF LAST REVISION: January 28, 2015

802.01 Purpose and Intent

The intent of this policy is to provide guidance as to the types of advertisements on transit infrastructure that will allow StarMetro to provide customer amenities at bus stops and generate revenue for the enhancement of transit operations to increase ridership.

802.02 Revenue Generating Objective

The primary objective of the StarMetro infrastructure advertising program is to generate revenue to benefit the transit system. Certain types of advertisements interfere with the program's primary purpose. The StarMetro Advertising Policy advances the intent of the infrastructure advertising program by prohibiting advertisements that could detract from the primary objective by creating substantial controversy, interfering with and diverting resources from transit operations, and/or posing significant risks of harm, inconvenience, or annoyance to transit passengers, operators and vehicles. (For more information see the Prohibited Advertising Content on Page 4 – To be determined by City Commission).

802.03 Placement of Advertising

a. Placement Restrictions

Advertising will not be allowed in the following locations:

i. Canopy Roads – No advertising will be allowed on designated Canopy Roads which include portions of Old Bainbridge Road, North Meridian Road, Old St. Augustine Road, Miccosukee Road, Centerville Road, Pisgah Church Road, Moccasin Gap Road, Old Centerville Road, and Sunny Hill Road.
