MAJOR FUNCTION
This is responsible administrative and supervisory work managing and coordinating the staff and resources for the Special Transportation and Community Transportation divisions of StarMetro. Responsibilities include the management of the Community Transportation Coordinator (CTC) that coordinates and brokers travel for the various social agencies countywide. The incumbent oversees the financial responsibilities of contract administration and the auditing, data collection and reporting required by funding and/or regulatory agencies. Coordinates staff to resolve all customer service issues related to all StarMetro divisions including responding to citizen inquiries and complaints, oversight of investigation and follow-up with customers. Functions also as the manager of the United We Guide Program responsible for community transportation planning and travel training for older adults and disabled citizens, matching the needs to transportation options both public and private available in the community. Work also includes selection, placement, promotion, training, safety, appraisal and discipline of division employees and coordinating the repair, preventive maintenance, servicing and cleaning of buses. General direction is received from the department director and or his/her designee, who establishes policies and indicates the desired results, and reviews the work through conversation and reports to determine conformity of results with requirements.
