 Renovation

Energy Star New Home Incentive

Energy Star certified : \$1/sq. ft. conditioned, up to \$2,000
(Energy Star requires HERS Index of 85 or less, and other requirements)

_____ Square footage
(cooled area)

ENERGY STAR and HERS Information

1. Energy Star Certification Number _____
2. Confirmed HERS Index _____
3. HERS Rater's Name _____
4. HERS Rater's Phone Number _____

Required Documentation Please attach the following:

1. Copy of ENERGY STAR Certificate
2. If applicable, copy of Florida Green Building Coalition or LEED For Homes Certificate
3. Copy of Energy Gauge-Energy Performance Level (EPL) Display Card (provided by your HERS Rater)
4. Copy of Energy Gauge Building Input Summary Report (provided by your HERS Rater)

Conditions

1. For incentives to be paid, this application must be completed entirely and submitted with required documentation (see above).
2. HERS ratings must be conducted by a Florida State-Certified HERS Level 1 Rater.
3. Incentives are available for homes with Certificate of Occupancy (CO) dated after February 20, 2008.
4. Applications must be received within three months of the home's CO date.
5. Homebuilders can apply for the City's Energy Star \$1/s.f. incentives, or for Energy Star electric appliance rebates, but not both.
6. By participating in this program, the homebuilder agrees that the City of Tallahassee obtains and/or retains ownership of all rights existing and future emission credits, renewable energy rights to existing and future emissions credits, renewable energy green tags, tradable renewable certificates and/or any and all other environmental benefits associated with constructing or renovating the home to Energy Star standards.

I hereby certify that the information provided above is to the best of my knowledge correct, and I will allow a representative of the City of Tallahassee Utility Services to physically inspect the new home.
