

Cans for Cash 2009

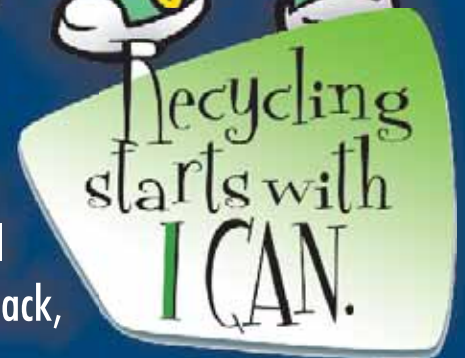

A Community Recycling Challenge

Support Your Schools

All Leon County schools are challenged to collect the most aluminum drink cans and bring them to our **Cans For Cash - I CAN** Rally on November 14 at The Home Depot on Capital Circle NE. In return for your CANtributions, we will pay \$0.30 per pound, and the school that brings in the most aluminum drink cans (by weight) in each of four divisions, will win a \$100 Home Depot gift card!

Also during the "I CAN" rally, in recognition of "America Recycles Day", Leon County Recycling will collect recyclable electronic scrap (please call 850-606-1823 for acceptable electronics). And you will have an opportunity to obtain free books by bringing your paperback, or hardbound books to swap with others, at the same location.

The Cans For Cash 2009 Rally

When:

Saturday, November 14

9 am to 2 pm

Where:

The Home Depot Parking Lot

3200 Capital Circle NE

Receive \$0.30/lb for your CANtributions of ALUMINUM DRINK CANS.
