## GENERAL MEETING GUIDELINES

This meeting is held to review contemplated and proposed development projects. The Site Plan Reviewers meet to review applications received. Following the meeting, the applicant is provided with written comments or conditions of approval from all reviewing departments.

Always be aware of whether your microphone is on or not, and what noise may be going on in the background. We recommend that you keep your microphone muted unless you are speaking.

Each project is allotted 45 minutes, please be respectful of the limited time for each project review. If applicants or staff feel that an extended discussion is warranted, then it may be appropriate to schedule a separate meeting at a later date.
