## GENERAL MEETING GUIDELINES

This meeting is for Site Plan Reviewers to go over comments for projects being presented at the upcoming Development Review Committee (DRC) meeting. This meeting is held upon request by the applicant and occurs one week prior to the scheduled DRC meeting. Following the meeting, the applicant is provided with written comments from all reviewing departments.

Always be aware of whether your microphone is on or not, and what noise may be going on in the background. We recommend that you keep your microphone muted unless you are speaking.

Each project is allotted 30 minutes, please be respectful of everyone's time. If it appears that an extended discussion is needed then please suggest scheduling a separate time to have a follow up meeting.
