2020 Annual Open Enrollment for Retirees...

This is your opportunity to make changes to your benefit plans that will go into effect on January 1, 2020. You may make your elections between November 15th and December 15th. Be sure to keep the following points in mind:

Before you make decisions regarding your benefits, make sure you have all the information you need. Many plans have limitations, exclusions or waiting periods. The plan booklets provided by each company are your best source of detailed information about each plan. Plan documents may be viewed/printed from the Retirement website at http://www.talgov.com/employment/retirement-retiree-open-enroll.aspx. Please note, as a retiree you may make changes to your existing policy(ies) but are not eligible to enroll in additional voluntary benefit plans (i.e. dental, legal, life and vision) that you are not currently enrolled in as a retiree.
