

2026

YEAR IN REVIEW

CITY OF TALLAHASSEE

**#1 Fleet
in the Nation**
(American Public
Works Association)

**City Manager
awarded Servant
Leader of the Year**

**Earned GFOA's
distinguished
budget award for
41st consecutive
year**

**Earned the
Sunrise Award and
Redevelopment
Award**
(Florida Brownfields
Association)

**Earned
International
Recognition
through a Gold
Award in Real
Estate Reuse and
Development**

**Established 30
year investment
agreement with FSU
Health projected
to generate more
than 3.64B economic
impact**

**\$34M in grants
awarded**

**Project of the Year
Award for Animal
Services Center
(APWA)**

**Facilitated the
review, construction
and completion of
approximately \$1.4B
in new development
and redevelopment**

**Opened 1st City-
owned EV fast
charging station**

**Project of the Year
for Lake Jackson
Greenway Phase I
(Institute of
Transportation
Engineers)**

**34 consecutive
years of Tree-City
USA designation**

**\$32M invested
in the City's
potable water,
wastewater and
storm water
systems**

**Added more
than 3,000 new
multifamily and
single-family units**

**APWA recognition
for 6 City
infrastructure
projects**

**Lifetime Achievement
Awarded to City
Manager
(Florida Municipal
Electric Association)**

**Added nearly 300
new affordable units
in the Southside
Action Plan area**

**Sustained the
City's strong
"AA+" municipal
bond rating**

**\$1.1M invested
in neighborhood
public facilities**

**2026 Public
Engagement
Award
(Florida League of
Cities)**

HELLO, TALLAHASSEE!

From welcoming Banana Ball to expanding our vast parks network, the City of Tallahassee offers an exceptional quality of life for its more than 200,000 residents — and for every visitor who comes to explore. Vibrant neighborhoods, abundant outdoor recreation, thriving business and educational opportunities make Florida's capital one of the South's most celebrated and livable cities. Here, arts and culture thrive alongside striking natural beauty, all wrapped in the warm hospitality that defines Tallahassee.

STRONG, GROWING ECONOMY

Independent rankings show Tallahassee's strategic approach is building a solid economic foundation for long-term success. From a well-educated workforce to investors demonstrating confidence in our community, these rankings, which evaluate performance over time, show Tallahassee as well managed, stable, strong and growing.

According to the Bureau of Economic Analysis, real GDP for the Tallahassee MSA reached \$21.3 billion in 2024 and grew 4.3 percent over 2023. This growth outpaced the economic growth of both Florida and the nation. Since 2017, Tallahassee's economy has grown by a staggering 25 percent.

This growth is anticipated to continue as Tallahassee's future as the regional hub for healthcare and innovation was cemented this year with the launch of FSU Health in partnership with Florida State University.

It's clear Tallahassee is establishing its own momentum and creating a stronger foundation for sustained economic growth and long-term prosperity for all.

CULTURAL COMMUNITY

Tallahassee’s art scene flourishes with festivals, galleries, theaters, and live music venues offering diverse experiences and an opportunity for local talent to shine.

The City fosters community connection through signature events and partnerships with local organizations, like the LeMoyne Chain of Parks Art Festival, which was ranked the #5 “Fine Art & Design Festival” in the nation and top-ranked in Florida by Sunshine Artist Magazine. Springtime Tallahassee, Word of South, Shakespeare in the Park and other popular festivals continue to draw people to our community and add to our cultural fabric.

The City’s rich heritage, featuring landmarks, museums, historical markers, and guided tours, offers an engaging way to explore the area’s past. These cultural amenities are available year-round, allowing visitors and residents to readily connect to the stories that shaped the community over generations.

OUTDOOR OPPORTUNITIES

Tallahassee is known for its natural beauty. Thanks to thoughtful planning and stewardship, the City boasts an impressive 55 percent tree canopy — one of the highest in the nation — creating a lush, shaded landscape that enhances outdoor experiences and strengthens the community's connection to nature.

The City continues to expand its robust park system, furthering its commitment to strengthen, protect, and preserve the environment. With more than 100 parks and over 70 miles of trails, residents and visitors enjoy an array of outdoor amenities from scenic paths and sports facilities to one of the world's top-ranked disc golf courses. Parks are central to quality of life, serving as gathering spaces for special events, moments of relaxation, fun games, and memories made with family and friends. They help foster a vibrant, healthy lifestyle, and with most residents just a 10-minute walk from a park or green space, nature is always within easy reach.

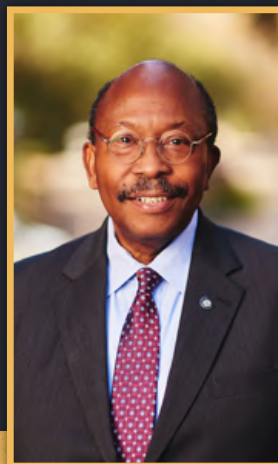

THE TALLAHASSEE CITY COMMISSION

Mayor
John E. Dailey

Commissioner
Curtis Richardson

Commissioner
Jeremy Matlow

Commissioner
Jacqueline Porter

Commissioner
Dianne Williams-Cox

THE CITY OF TALLAHASSEE was founded 202 years ago as Florida’s capital city. Today, the City proudly serves a diverse community of approximately 200,000 neighbors in all facets of life, work and recreation. Each day, a devoted workforce of nearly 4,000 people come together to ensure the needs of the community are met through municipal service. To guide this effort, the City Commission has adopted clear statements on why we exist, what we aspire to be, and how we work.

OUR MISSION

To be the national leader in the delivery of public service.

OUR VISION

A creative capital city that supports a strong community with vibrant neighborhoods; an innovative economic and educational hub serving diverse and passionate people, protecting our natural resources and preserving our unique character.

OUR VALUES

- *Honor public trust through ethical behavior*
- *Provide exceptional citizen service*
- *Lead with integrity at every level*
- *Collaborate to reach common goals*
- *Invest in employee excellence*
- *Promote equity and celebrate diversity*

LETTER FROM THE

With more than 31 years of public service, including a 26-year tenure with the City of Tallahassee, it has been my honor to serve as Tallahassee's City Manager for nearly a decade. Throughout my career with the City, it has been a privilege to work alongside exceptional colleagues to strengthen our organization, which is defined by a culture of excellence, deep commitment to teamwork, and an unwavering spirit of resourcefulness. We have navigated challenges, embraced opportunities, and consistently strived to provide the best level of service to the residents of Tallahassee.

As I reflect on my tenure, I am proud of how the City has established itself as high-performing and well-managed, earning national recognition for its governance, infrastructure, and quality of life. Notable achievements include Tallahassee's designation as a Top-20 U.S. City and the top-ranked Florida city in WalletHub's Best-Run Cities based on exceptional financial stewardship, service delivery, and operational efficiency. Additionally, Tallahassee earned its third All-America City Award and many other national rankings that highlight this community as one of the most livable and attractive cities in the country.

The City has strengthened its electric utility (one of the largest in Florida), ensuring it is a cornerstone of reliability, affordability, and long-term financial stability. The early adoption and rollout of advanced electric, gas, and water smart grid technology, the first in the nation, is a testament to our ongoing commitment to modernization, improving efficiency, transparency, and service responsiveness for residents. Efforts did not go unnoticed as Tallahassee has been named the No.1 Public Utility in America twice; the No. 1 Fleet in the Nation; a Utility of the Future, Today; achieved the prestigious Governor's Sterling Award and Sustained Excellence Award; made Livability.com's list of Top 100 Best Places to Live; and Southern Living Magazine's list of the South's Best Cities.

As the largest single provider of municipal services in the region including police, fire, public transportation, utilities, parks, and more, the implementation of the organization's first overarching Five-Year Strategic Plan in 2020, which was renewed in 2025, has been a key driver of our success and will help ensure the City continues to achieve future success within the plan's priority areas. Each year since the City Commission approved the plan, we have produced a Year in Review to provide highlights of performance measures to Tallahassee residents. This year's publication marks the last under my leadership as I retire on September 30, 2026. As you read through its pages, it is my hope that you gain an even greater appreciation for the nearly 4,000 City employees dedicated to making Tallahassee the best it can be.

This year, Tallahassee's future as the regional hub for healthcare and innovation was cemented with the expansion of FSU Health in partnership with Florida State University, positioning Tallahassee at the forefront of healthcare access and medical research in North Florida.

Public investment continued with Southside Action Plan and construction projects, including the Southside Transit Center and new Tallahassee Police Department headquarters. This year also saw projects come to completion like the second Senior Center and the launch of the first public-owned EV fast-charging station, with four additional stations under construction or in the planning phase.

Transformative public investments that create economic opportunity have continued to grow. From new parks and electric vehicle charging stations to transportation and utility infrastructure, the City has invested hundreds of millions of dollars this year into projects that strengthen neighborhood resilience and improve quality of life. Additionally, the City has continued to bring money back to our community, successfully being awarded \$34 million in grants this year and nearly \$450 million in grants since FY2017. This includes more grant revenue received in the past five years than all the property tax revenue

CITY MANAGER REESE GOAD

over the same period. As a result of strategic investments and sound financial management, the City's deficiencies reserve is now fully funded for the first time in a decade, and our strong financial position has recently been reaffirmed with an AA+ rating from Fitch Ratings.

All of this has combined to bring about significant economic growth in our community. According to the Bureau of Economic Analysis, real GDP for the Tallahassee MSA reached \$21.3 billion in 2024 and grew 4.3 percent over 2023. This growth outpaced the economic growth of both Florida and the nation. Since 2017, Tallahassee's economy has grown by a staggering 25 percent.

Taken together, these financial and economic measures tell a compelling story: Tallahassee is well-managed, our economy is outperforming the state and national economies, our workforce is well-positioned for growth, our financial foundations remain stable and strong, and investors are demonstrating confidence in our community. Our strategic approach is working. Tallahassee is establishing its own momentum and creating a stronger foundation for sustained economic growth and long-term prosperity.

It is evident that the City of Tallahassee continues to set the standard for municipal excellence. Every achievement reflects our core values and strategic priorities evidenced by the accomplishments of Fiscal Year 2026. Among approximately 19,500 U.S. municipalities, Tallahassee stands out for its operational expertise and excellence. I am immensely proud of what we have accomplished as a team. The professionalism, innovation, and dedication demonstrated by City staff have set the standard that will continue to guide the organization well into the future.

As I step away from this role at the end of September 2026, I do so with confidence in the organization's continued success and resilience. The foundation we have built together is strong, and I know the future holds great promise.

Reese Goad

ECONOMIC DEVELOPMENT

ADVANCING THE CITY OF TALLAHASSEE AS A
COMPETITIVE, INNOVATIVE, AND SUSTAINABLE
REGIONAL ECONOMIC HUB.

Our strategic approach is working. Tallahassee is establishing its own momentum and creating a stronger foundation for sustained economic growth and long-term prosperity.

Through transformative public investments from new parks and electric vehicle charging stations to transportation and utility infrastructure, the City has invested hundreds of millions of dollars this year into projects across the community while data confirms significant economic growth in our community.

Independent rankings that track jobs, workforce strength and market potential all point to the same conclusion: Tallahassee is building a solid foundation for long-term success. These rankings matter because they evaluate performance over time—not just a single strong year—helping identify communities, like ours, building lasting economic strength.

For example, our community ranks among the top 25 percent of U.S. counties for business formations per capita, highlighting a strong entrepreneurial environment and opportunities for new businesses to grow.

The 2026 Florida Trend ‘Best Companies to Work for in Florida’

rankings recognized 13 organizations headquartered in Tallahassee, representing a range of industries and demonstrating the quality and diversity of the local business community.

Additionally, data from the U.S. Bureau of Economic Analysis shows that our Metropolitan Statistical Area recorded strong economic growth in 2024 (most recent data year), outperforming both the State of Florida and the nation.

Taken together, these independent measures tell a consistent story: Tallahassee has a stable job base, a growing and skilled workforce and a market becoming more attractive to employers and investors. Our progress has been steady, measurable and sustainable.

For residents, this means more job opportunities, rising wages and a stronger local economy. For businesses and investors, it signals that Tallahassee offers the workforce depth, economic stability, and growth trajectory needed to support long-term investment.

When national data consistently points in the same direction, it confirms what many here already know: Tallahassee’s momentum is real, and our community is well positioned for the future.

ECONOMIC DEVELOPMENT

- Opened the City's first public-owned PowerTLH EV Fast-Charging Station, initiated construction of two additional stations, and advanced a fourth station through design and permitting, significantly expanding access to advanced Level 3 DC fast-charging infrastructure.
- Invested more than \$10 million in potable water system improvements.
- Assessed 25 parcels through the Brownfields program within the community to support environmental goals while directly supporting projects that drive equitable economic revitalization.
- Invested more than \$17 million in wastewater enhancement to ensure operational integrity and support planned growth
- Invested more than \$5 million in stormwater enhancements to improve water quality and flood mitigation
- Established a 30-year investment agreement projected to generate more than \$3.64 billion in economic impact and create more than 900 jobs by completing the transfer of City-owned hospital assets to Florida State University for development of FSU Health, an academic medical center designed to strengthen healthcare, drive economic growth, and create long-term regional opportunities.
- Facilitated the review, construction, and completion of approximately \$1.4 billion in new development and redevelopment investments, including \$827 million within the Multimodal Transportation District, supporting continued growth of the greater Downtown business community and employment center.
- Earned international recognition for the Office of Economic Vitality's strategic redevelopment and economic equity efforts.
- Completed the \$1.25 million sale of Capital City Golf Course to the Capital City Country Club, preserving the property's use as a golf course while ensuring continued public access to the Houstoun Plantation cemetery and memorial site.

- Earned a Bronze Award for Economic Equity & Inclusion for the Black Business Expo Tallahassee, which increased attendance by 22 percent in 2025.
- Reached substantial construction completion of the 40,000-square-foot International Processing Facility at Tallahassee International Airport, positioning the region to accommodate international flights and cargo.
- Expanded air service with Breeze Airways' launch of two new nonstop routes from Tallahassee.
- Advanced development of an operational Foreign Trade Zone serving up to 11 surrounding counties, creating opportunities for businesses to participate in international commerce, supporting regional economic growth, and generating a projected annual economic impact of \$300 million and more than 1,600 jobs over the next 10 years.
- Advanced the Air Service Incentive & Capacity Improvements Program, projected to create more than 1,100 jobs through 2039 and generate approximately \$1.1 billion in economic return on investment.
- Executed an agreement with AirBOSS Hangars to support the development of new aeronautical hangar facilities at Tallahassee International Airport, representing an estimated \$7 million capital investment and projected to generate \$1.8 million in new revenue for TLH over the term of the agreement.
- Secured a long-term NOAA lease for a NEXRAD weather radar system at the airport, generating more than \$325,000 in new revenue for the Aviation Operating Fund while strengthening regional weather monitoring capabilities.
- More than 2,300 new multi-family and more than 700 new single-family units were either reviewed, under construction or completed over the past year.
- Achieved an average review time to process a permit for a new home of 2.56 days.
- Improved the development approval process by implementing a Small-Scale Land Use Amendment process, enabling smaller developments and businesses to move through approvals more efficiently.

IMPACT ON POVERTY

A LEADING COMMUNITY PARTNER THAT ACTIVELY CONNECTS RESIDENTS TO RESOURCES THAT REMOVE ECONOMIC AND SOCIAL BARRIERS.

Education, training and job readiness are essential tools for addressing poverty, as is housing affordability and reliable transportation. By equipping individuals with the skills needed to secure stable, well-paying jobs and implementing innovative housing and transit programs, the City of Tallahassee is cultivating stronger pathways out of poverty and fostering economic independence.

Helping advance affordable housing from the ground up, the City and partners proudly broke ground this year on the largest local Community Land Trust (CLT) project to date. The project will deliver 17 homes in the South City neighborhood for low-income buyers, a mix of single-family detached houses and one duplex-style home. The new development is being built on land donated by the City with financing from the County's State Housing Initiatives Partnership allocation and the City's HOME Investment Partnerships Program and Community Redevelopment Agency allocation.

Additionally, the City's nationally recognized youth program, Tallahassee Engaged in Meaningful Productivity for Opportunity (TEMPO), graduated 160 formerly at-risk students this summer. This graduating class represents the largest number of GED recipients (120) since the program began in 2017. Other

graduates earned technical certificates from Lively Technical College, Tallahassee State College and Florida Health Science Consulting to help them pursue careers such as cosmetologist, electrician, welder, aviation mechanic, patient care technician and more. TEMPO has a proven track record, successfully engaging more than 4,200 participants in educational and vocational opportunities since its inception.

StarMetro provides millions of trips each year, including roughly 90,000 free trips for K-12 riders, helping ensure transportation is not a barrier to their education. With construction of the Southside Transit Center progressing, public transportation continues to move Tallahassee forward.

By partnering with community organizations, the City supports efforts to prevent homelessness and provide transitional housing, rapid rehousing, and other services that help individuals and families obtain and maintain stable housing. Through the Community Human Service Partnership, City funding supports local agencies that deliver services directly to residents.

These are some of the many City initiatives guiding people along a pathway toward a positive, prosperous future.

IMPACT ON POVERTY

- Leveraged strategic partnerships to expand job training and career pathways through the TEMPO program, including a Disadvantaged Workers Agreement with AJAX Construction Company, the Tallahassee Police Department's Community Service Technicians initiative, and Tallahassee State College's Fire Academy, providing participants with meaningful training and employment opportunities.
- Graduated 160 formerly at-risk students through TEMPO, including 120 who earned GEDs and 40 more earning technical certificates.
- Allocated more than \$9 million through the Community Human Service Partnership process to support the delivery of essential local human services and strengthen community support programs.
- Continued successful partnership with the Department of Corrections Second Chance Program, employing more than 28 participants this year to support successful reentry and reduce recidivism.
- Advanced 374 new affordable housing units into permitting or completion, including 120 senior housing units on Orange Avenue and 158 units on Lake Bradford Road, both within the Southside Action Plan area.
- Broke ground on the largest Community Land Trust development to date, delivering 17 permanently affordable homes for low-income buyers and expanding access to sustainable homeownership.

- Performed 80 water quality lab analysis at no cost to low-income residents.
- Approved the creation of the Affordable Housing Gap Finance Incentive Program, providing local funding to help developers address financing gaps and expand the supply of affordable rental housing for very low- and extremely low-income households.
- Supported low-income residents through the repair, rehabilitation and reconstruction of 85 homes and provided down payment of up to \$50,000 to 25 first-time homebuyers.
- Maintained fare-free transit access for K-12 students through the Star Card program, reducing transportation costs and expanding reliable mobility for students and families throughout the community.
- Provided convenient access to fresh fruits, vegetables and other goods from local farmers and vendors at the Southside Farmers Market in the Greater Bond neighborhood, hosting more than a dozen markets this fiscal year and welcoming more than 1,700 patrons.
- Provided free meals to youth through the Summer Break Spot program at eight sites managed by the City's Parks, Recreation and Neighborhood Affairs department.
- Provided weekly clothing giveaways; served hot meals to seniors twice a week through a partnership with Elder Care Services; and hosted a monthly drive-thru food distribution program at the City's Lincoln Neighborhood Center in partnership with Second Harvest of the Big Bend, Publix, and Neighborhood Medical Center.

ORGANIZATIONAL EFFECTIVENESS

AN IMPACT-FOCUSED WORKFORCE THAT IS INCLUSIVE, PIONEERING, AND TECHNOLOGY-DRIVEN.

In line with the City of Tallahassee’s mission to be the national leader in the delivery of public service, City Manager Reese Goad has built a culture defined by a commitment to excellence, resourcefulness, and teamwork amongst the City’s roughly 4,000 employees.

Championed from the top down, shifting to a one team approach has helped the City’s workforce deliver better service for residents, enrich the quality of life, strengthen economic development and be good stewards of taxpayer dollars through improved efficiencies. Across the organization, the City has made deliberate, system-wide investments to strengthen processes, improve coordination and enhance organizational effectiveness.

Several departments have redesigned external-facing processes to improve customer service while conserving staff resources. For example, the Planning department implemented a more streamlined process that allows smaller developments and businesses to move forward more quickly and predictably with a transition to online public noticing, generating cost savings as well as operational efficiencies. Aviation streamlined internal procedures to accelerate business recruitment and capital delivery at the airport. Departments including Parks, Golf, and Community Beautification strengthened procurement, asset tracking and maintenance coordination to reduce reliance on outside services and improve operational control.

Technology modernization has been a central driver of organizational effectiveness, particularly in operational and public safety functions. Police significantly enhanced records management and reporting efficiency through early adoption of national reporting standards, backlog elimination strategies and new tools that support report drafting and advanced data-aggregation platforms. Fire and Emergency Management automated critical staffing lists and upgraded Emergency Operations Center technology to improve readiness and reliability during emergencies.

Taken together, these improvements demonstrate a consistent, organization-wide emphasis on smarter workflows, better use of technology and stronger interdepartmental collaboration. This one team approach allows departments to respond more efficiently to daily demands and has better positioned the City as a whole to adapt during emergencies, manage growth and sustain high levels of service despite rising costs and operational complexity.

Through continuous collaboration and mission focus under the leadership of Karen Jumonville, the new City Manager, the City will continue to strengthen its operational foundation and reinforce its reputation as a high-performing, well-managed municipal organization.

ORGANIZATIONAL EFFECTIVENESS

- Earned the 2025 #1 Fleet in the Nation designation from the American Public Works Association (APWA).
- Earned the prestigious Elite Fleet designation and Police Fleet Innovators Award, demonstrating excellence and innovation in fleet management.
- Engaged youth in the Tallahassee Future Leaders Academy program, providing paid work experience, job-readiness skills, college and career exposure, financial literacy, leadership development and personal wellness resources to prepare participants for future success.
- Advanced the goal of a City workforce reflective of the community's demographics, with women and minorities comprising 55 percent of promotions and 54 percent of new hires since the launch of the 2025–2029 Strategic Plan, reinforcing the City's commitment to building a strong and diverse talent pipeline.
- Engaged paid interns in City departments, providing hands-on experience, practical skill development, professional growth and exposure to public sector careers.
- Accelerated recruitment by implementing application pre-screening, allowing hiring managers to review qualified candidates as applications are received, begin interviews sooner and reduce time-to-hire.
- Modernized the Energy Management System through the implementation of Nutanix virtualization hardware, strengthening SCADA security, resilience, scalability and alignment with industry best practices for critical electric operations.
- Modernized procurement operations by updating the City's Purchase Card Policy and standardizing procurement workflows.

- Implemented the Travel & Expense module, transitioning travel processes from manual spreadsheets to an efficient digital workflow that streamlines processing and improves operational efficiency.
- Digitized and integrated Chain of Custody documentation within the Water Quality Laboratory's reporting process, eliminating manual workflows while improving turnaround times, data accuracy and regulatory compliance.
- Developed comprehensive process documentation for the City's Work Release Program Standard Operating Procedure, improving organizational consistency, preserving institutional knowledge and reducing administrative risk.
- Initiated a Voluntary Separation Incentive Program projected to generate approximately \$8.46 million in FY 2027 savings through workforce realignment and reduced personnel costs, while maintaining existing service levels.
- Sustained the City's strong "AA+" municipal bond ratings, demonstrating sound financial management and strengthening the City's ability to secure favorable financing for critical infrastructure and public investments.
- Percent of general and union employee pension funded is 90 percent, demonstrating a high funding level for future retirees.
- Received the Government Finance Officers Association distinguished budget award for the 44th consecutive year.
- Awarded more than \$34 million in grants to the City within this fiscal year.
- Projected to achieve a fully funded Deficiencies Fund for FY 2027, for the first time in a decade, demonstrating proactive financial planning and strong fiscal stewardship.

PUBLIC INFRASTRUCTURE

THE LEADING PUBLICLY OWNED UTILITY THAT SUPPORTS A GROWING AND PROGRESSIVE COMMUNITY.

The City of Tallahassee leverages collaboration, innovation and investment to create sustainable infrastructure that ensures reliable service and enhances quality of life. Through continuous, long-term, cross-departmental planning, design and construction, major projects have taken shape during the last year.

On Earth Day, the City opened its first zero-emission electric vehicle fast-charging station. Equipped with Level 3 DC fast-chargers, this uniquely designed canopied station features the fastest and most powerful commercially available EV charging technology. Additional PowerTLH EV fast-charging stations are being constructed, including at the corner of Orange Avenue and Meridian Street and on West Tharpe Street near North Martin Luther King Jr. Boulevard.

Through a multi-year project, the City implemented robust utility and infrastructure improvements along Seventh Avenue between Centerville Road and N. Gadsden Street. The improvements represent a more than \$3.3 million investment to strengthen critical infrastructure. Following sanitary sewer improvements, roadway reconstruction in key locations and water utility enhancements, the roadway was resurfaced this year. Collectively, the

work resulted in reduced maintenance activities, improved system capacity, increased fire protection, a safer corridor and continued reliable service for years to come.

As part of its ongoing commitment to provide best-in-class services, the City undertook an innovative electric infrastructure enhancement project along Centerville Road that was specifically designed for the canopy road environment. With completion anticipated in fall 2026, it will further strengthen the system's resilience against severe weather and improve reliability.

In line with the City's mission to be the national leader in the delivery of public service, the team earned honors for their excellence. Awards included the American Public Works Association (APWA) Project of the Year for Magnolia Drive Trail Phase II, APWA Project of the Year for upgrades at the Animal Service Center, American Planning Association Florida Award of Merit for Upper Lake Lafayette Trail, and Institute of Transportation Engineers Project of the Year for Lake Jackson Greenway Phase I.

Investing in infrastructure today strengthens the Tallahassee of tomorrow.

PUBLIC INFRASTRUCTURE

- Exceeded 99 percent in water and sewer reliability.
- Earned national recognition from the American Public Gas Association for the 10th consecutive year as a Safety Contest winner.
- Earned the 2025 Building Strong Communities Award from the Florida Municipal Electric Association, recognizing the City's efforts to enhance quality of life and strengthen the Tallahassee community.
- Averaged 37.4 minutes for electric outage response time and 20 minutes for natural gas outage response time, maintaining exceptional reliability and minimizing disruptions for residents.
- Earned the 2025 FMEA Safety Award for the Electric Utility's commitment to worker safety, protecting the lineworkers and crews who maintain the electric system and serve more than 125,000 local customers.
- Initiated the Centerville Road Electric Reliability Project, strengthening electric infrastructure resilience against severe weather and improving system reliability.
- Achieved 17 consecutive years without a Public Service Commission gas audit violation, demonstrating exceptional attention to safety standards and minimizing gas leak risks.
- Reduced carbon emissions by nearly 44 percent from 1990 levels, with 1.46 million tons of CO₂ emissions reported in 2025.
- Achieved a projected \$1.35 million Clean Energy Tax Rebate for the implementation of cost-effective energy systems and infrastructure improvements in City buildings.
- Earned the Sunrise Award and Redevelopment Award from the Florida Brownfields Association, recognizing impactful redevelopment efforts and successful partnerships that transform brownfield sites into community assets.
- Secured approximately \$1.2 million in grant funding from the Florida Department of Environmental Protection's Volkswagen Diesel Emissions Mitigation Program to replace five aging diesel garbage trucks, reducing emissions and modernizing the City's solid waste fleet.
- Published the City's first community-wide greenhouse gas inventory.
- Secured more than \$8 million in federal funding through the FY 2025 FTA Low or No Emission Grant Program to advance StarMetro's transition to a cleaner, more sustainable transit fleet.
- Continued transitioning the City's light-duty fleet to electric, compressed natural gas and hybrid vehicles, advancing the goal of shifting City light-duty vehicles to 100 percent electric by 2035.
- Confirmed continued compliance with stringent state and federal drinking water standards, reinforcing the quality, safety and reliability of the City's water supply.
- Maintained Water Quality Laboratory accreditation for more than 360 analytes and achieved full compliance through a successful third-party audit.
- Provided sound and strategic guidance concerning per- and polyfluoroalkyl substances (PFAS) regulations, including monitoring regulatory developments, assessing potential operational and financial impacts, directing comprehensive sampling and investigative efforts and advising the City Commission.
- Achieved over 75 percent of the City's roads rated as good or better.
- Replaced more than 13,700 feet of sidewalk.
- Addressed more than 9,400 sidewalk trip and fall hazards.
- Advanced a \$3.3 million investment in critical infrastructure along Seventh Avenue.
- Completed eight Blueprint projects, including facility upgrades at the Animal Service Center, a single-track mountain bike trail at Debbie Lightsey Nature Park, the Upper Lake Lafayette Trail (a component of the Lake Lafayette and St. Marks Regional Linear Park), Magnolia Drive Phase 3, Airport Gateway Segment G1, Tram Road Greenway, North Monroe Gateway medians at John Knox Road, and Northeast Gateway Clarecastle Way Sidewalk.
- Rehabilitated more than 12 lane miles of roadway.
- Developed a Public Transportation Agency Safety Plan for StarMetro, establishing safety processes, procedures and performance targets to strengthen the agency's Safety Management System.

PUBLIC SAFETY

A SAFE, RESILIENT,
AND INCLUSIVE COMMUNITY.

Public safety is foundational to a thriving community. The City of Tallahassee continues to invest in people, technology, preparedness and partnerships to enhance community resilience and cultivate a safer tomorrow.

The heart of public service is people, and the Tallahassee Police Department and Tallahassee Fire Department are building diverse teams that reflect the community. Both have increased the number of women and minorities in their ranks and demonstrate a commitment to holistic support of all their members through robust wellness and training programs. This approach helped TPD increase hiring by 49 percent in 2025, reaching full staffing for the first time in the agency's 200-year history.

Modern public safety requires modern approaches, and this year, TPD incorporated virtual reality into its training program to help prepare officers for the unexpected through scenario-based exercises that simulate real-world incidents they may encounter. The immersive experience allows officers to strengthen communication, decision-making and de-escalation skills in a safe, controlled environment.

Additionally, the City Commission directed TFD to pursue an ISO Class 1 rating, which will place the department among the top 1 percent of highly-rated fire departments. More importantly, the improvements required to achieve the ISO Class 1 rating will strengthen firefighter and community safety, improve response times, and enhance staffing, training, equipment, communications, and fire prevention.

A prepared community is a resilient community, which is why the City again hosted its Plan for Readiness and Emergency Preparedness (PREP) workshops near the start of hurricane season. This program has trained and empowered hundreds of community members and neighborhood leaders.

The City's public safety professionals take their commitment to service to heart. Firefighters and police officers routinely enjoy lunch with students at schools, build homes with Habitat for Humanity, play hoops with teens at parks or enjoy coffee and conversation with neighbors. Each handshake, interaction and connection ultimately strengthens safety in Tallahassee.

PUBLIC SAFETY

- 28 neighborhoods had active, established Neighborhood Crime Watch associations this year.
- Secured more than \$500,000 in grants from the Florida Department of Juvenile Justice to support the Palmer Munroe Teen Center's Restorative Justice Program, providing case management, community service, restorative justice panels and circles and nonviolent communication training.
- Celebrated 23 years of TPD's DEFY Camp, empowering youth with the skills, confidence and tools to make positive choices and develop leadership skills.
- Earned recognition as a Leon County Schools 2025–2026 Partner for Excellence, reflecting the Tallahassee Fire Department's commitment to mentoring students, providing fire and life-safety education and building strong relationships with youth.
- Expanded youth leadership development through the TAC Leadership Academy, a free five-day program equipping high school students with skills in decision-making, relationship building, future planning and leadership.
- Secured more than \$125,000 in grant funding and equipment through the Edward Byrne Memorial Justice Assistance Grant, Pedestrian and Bicycle Safety High Visibility Enforcement Grant and FDLE/Federal Eastern International, strengthening public safety and pedestrian and bicycle safety initiatives.
- Reduced violent crime by 2.97 percent between FY 2025 and FY 2026.
- Launched TPD's Approach with Care Autism Awareness Initiative, strengthening community partnerships and promoting safer law enforcement interactions.
- Received more than 15 million views on the TPD webpage and Instagram account, expanding public awareness and access to timely community information.
- Secured \$150,000 in Florida Division of Emergency Management and Florida Department of Law Enforcement grant funding to support domestic security analysis and the Project Safe Neighborhoods initiative.
- Staffed more than 183 special events with TPD officers and logged more than 357 community outreach efforts.

- Swore in 30 new TPD officers as the department commemorated 200 years of service.
- Conducted a full-scale emergency exercise at Tallahassee International Airport, strengthening coordination and preparedness among first responders through realistic, specialized training scenarios.
- Onboarded 18 new firefighters.
- Advanced construction of the new TPD Police Headquarter.
- Launched virtual reality training for TPD officers, providing realistic, scenario-based exercises to enhance preparedness, tactical decision-making, crisis response and community engagement.
- Secured more than \$250,000 in state funding through the Florida Department of Financial Services to support ongoing training, equipment purchases and program sustainment.
- Implemented Connect Tallahassee, strengthening Capital Region Real-Time Crime Center operations through advanced technology and real-time information sharing to enhance public safety across the community.
- Undertook steps to modernize TFD's physical infrastructure by advancing plans for the expansion of Fire Station 15, construction of Fire Stations 17 and 18 and a GIS study to identify an appropriate location for Fire Station 19.
- Secured a new \$5.8 million federal grant to deploy emergency-response drones and real-time traffic and tow coordination capabilities.
- Offered four free community workshops, three staff presentations and participated in 12 community events, including the Adopt-a-Southside Disaster Preparedness event in Greater Apalachee Ridge Estates in partnership with TFD & TPD, to support hurricane readiness and emergency preparedness as part of the City's PREP Plan, which engaged nearly 1,300 citizens this year.
- Delivered 635 hours of emergency preparedness training to 1,342 individuals, strengthening community readiness and resilience.

PUBLIC TRUST

ENHANCE PUBLIC TRUST THROUGH ETHICAL BUSINESS PRACTICES AND TRANSPARENT GOVERNANCE.

The City of Tallahassee works to enhance public trust through transparency, ethical governance, public participation, and accountability.

As an important part of this effort, the City provides opportunities for residents to participate in budget workshops, public meetings, and online feedback. The FY2026 budget specifically identifies community engagement as an important component of City decision-making. Tallahassee residents can take a deep dive via online access to budgets, expenditures, revenues, financial reports, and other government information through its website Talgov.com and OpenGov portal. These resources allow residents to examine how public funds are collected and spent.

The City strategically budgets to ensure responsible stewardship of taxpayer dollars and alignment with the priorities outlined in the five-year Strategic Plan. The City also maintains an online strategic-plan dashboard so residents can monitor progress toward goals and initiatives.

Thanks to responsible fiscal planning, the deficiencies fund has been steadily replenished and will be fully funded in Fiscal Year 2027 for the first time in 10 years. Additionally, Tallahassee

households rank third-lowest among 12 peer Florida cities in overall annual costs, per the most recent Municipal Cost Comparison.

This year, the City received the Government Finance Officers Association’s Distinguished Budget Presentation, marking the 41st consecutive year earning this recognition. Additionally, the City received special recognition for its Financial Policies and Capital Program, achieving the highest possible score in these criteria. The award reflects the City’s commitment to upholding the highest principles of governmental budgeting. The budget is available year-round at Talgov.com.

Fitch Ratings once again affirmed the City’s strong AA+ ratings on its bond programs, reinforcing the City’s sound financial management practices. Fitch Ratings, one of the nations’ leading independent credit rating agencies, also affirmed the City’s “Stable Outlook,” underscoring confidence in the City’s long-term financial stability and disciplined fiscal management.

Ultimately, the City’s sound financial practices support the reliable delivery of high-quality municipal services that enhance the quality of life enjoyed by Tallahassee residents.

PUBLIC TRUST

- Received an Unmodified Opinion on the City's Annual Comprehensive Financial Report audit, the highest level of assurance, reaffirming the City's commitment to financial transparency, accountability and responsible fiscal stewardship.
- Earned the highest marks in the triennial peer review of the City of Tallahassee Office of the Inspector General's audit function, demonstrating strong adherence to professional standards, ethical oversight and operational efficiency.
- Maintained an average customer satisfaction rating of 90 percent across the City's customer contact centers, among the highest levels achieved in recent years.
- Oversaw citywide safety operations through comprehensive safety, drug and alcohol, and background-screening programs, including more than 1,400 site inspections, 5,760 hours of safety training and thousands of screenings and tests.
- Achieved a 96 percent on the Municipal Equality Index, reflecting the City's continued commitment to inclusive policies and equitable municipal practices.
- Provided in-person and digital access to public meetings, including publicly accessible archived video.
- Provided routine updates and monitored 131 performance targets for the 2025-2029 Strategic Plan, including the mid-year update, with all strategic goals currently on track, providing a framework to measure progress and support data-informed decision-making.
- The City's YouTube channel generated more than 261,900 views across all content,

- reflecting a 12% year-over-year increase and demonstrating the City's ongoing commitment to engaging the community through accessible and dynamic digital content.
- The City's primary social media accounts (@CityofTLH on Facebook, X, Instagram and LinkedIn) garnered more than 348,000 engagements (a year-over-year increase), leveraging multimedia content such as videos, infographics, photos and livestreams to make information easily accessible.
- Expanded community engagement through TPD's 82nd Citizens' Police Academy, providing residents with an inside look at police operations, responsibilities, and decision-making through an eight-week interactive program.
- Strengthened neighborhood engagement through the 2025 Neighborhood Leadership Academy and Neighborhood Leadership Roundtables, equipping residents with a deeper understanding of City services, programs and operations while fostering informed and engaged community leadership.
- Live streamed all City Commission meetings, workshops and public hearings online and on television.
- Recorded 41 public meetings of the Tallahassee City Commission, Community Redevelopment Agency, Independent Ethics Board, Blueprint Intergovernmental Agency and Capital Region Transportation Planning Agency, making them available via YouTube.
- Organized and staffed more than 30 citizen advisory boards/committees to enhance public engagement on topics ranging from affordable housing to code enforcement to special events.

QUALITY OF LIFE

A CREATIVE AND INCLUSIVE COMMUNITY WITH BEAUTIFUL PUBLIC SPACES THAT PROTECT AND PROMOTE RESOURCES AND CULTURE.

The City of Tallahassee's large and diverse system of parks, green space and trails makes the city a fantastic place to live, work and play! The City currently offers 103 parks, totaling approximately 4,000 acres, along with over 70 miles of trails. Proudly, more than 90 percent of Tallahassee residents live within a 10-minute walk of a park or greenspace, making it easy to access the great outdoors. Whether you want to stay active or find peace and quiet, the City's parks offer fun for people of all ages and abilities in every corner of our community.

The City's park system runs the gamut from active recreational complexes complete with a wide variety of athletic facilities -- like Forestmeadows and Tom Brown Park -- to passive parks where visitors can see native Florida flora and fauna in peaceful surroundings -- like Brinkley Glen and Governor's Park. Many of our parks offer a mix of both -- like Cascades Park with its paved paths, perfect picnic spots and popular amphitheater or Myers Park with its nature trail and ball fields.

With 51 tennis courts, more than 20 playgrounds, 11 pools, three disc golf courses, two skateparks, a 6-plus mile paddling trail and so much more, the variety of recreational opportunities offered in our parks truly results in something for everyone!

Behind the scenes, a talented team -- from certified arborists and construction trades workers to recreation aides and center supervisors -- works year-round to keep our parks and facilities clean, attractive and functional for the thousands of people who enjoy them. Parks are also where many youth get their first job, learning skills that benefit the community, and where retirees can continue working part-time to share their well-honed talents. Working together, the City's Parks, Recreation and Neighborhood Affairs team helps people play, explore and feel connected -- to nature, to each other and to the community we all call home.

QUALITY OF LIFE

- Named a Tree-City USA for the 34th consecutive year.
- Advanced the Market District Infrastructure Improvements Project, creating a new public park and trails while enhancing roadways, stormwater infrastructure, connectivity, safety, parking and beautification.
- Earned American Public Works Association recognition for six City infrastructure projects, highlighting excellence in beautification, infrastructure reliability, pedestrian safety, mobility and community connectivity.
- Advanced the Griffin Heights grocery store toward completion, with the 2,500-square-foot facility set to expand access to healthy, fresh, affordable food for residents.
- Unveiled historic markers in the Greater Bond neighborhood, preserving the stories and legacy of this historically Black community through a community-led process that honors the residents who shaped its history.
- Opened the second Senior Center, a transformative 40,000-square-foot facility that expands community programming and enhances quality of life for local seniors.
- Invested approximately \$1.1 million in public facilities, including the installation of an outdoor pavilion at the Walker-Ford Community Center, reroofing and waterproofing at the Senior Center on North Monroe Street, and waterproofing at the Lincoln Center.
- Began expansion of the Southside Cemetery, adding approximately 2,000 burial spaces and introducing cremation burial plots to increase capacity.
- Planted more than 420 trees across 15 public rights-of-way and public spaces throughout the City, enhancing the urban landscape and supporting community beautification.
- Restored and refurbished the C.K. Steele statue at the C.K. Steele Bus Plaza, while

completing stained-glass enhancements and ADA improvements throughout the bus terminal to preserve Tallahassee's history and improve accessibility.

- Successfully secured \$5 million in federal appropriations, bringing taxpayer dollars directly back into our community.
- Earned the 2026 Public Engagement Award from the Florida League of Cities for the City's Longest Table event, which engaged more than 1,000 residents.
- Achieved record-breaking participation in the Capital City Senior Games, an annual City-sponsored three-week-long series of sports and events.
- Earned statewide recognition for the John G. Riley House & Museum as a featured destination on the Florida Department of Transportation's Great Florida Road Trip, highlighting Tallahassee's rich history, culture and heritage.
- Supported youth and adult sports programming, engaging 11,215 participants in City of Tallahassee recreational leagues and promoting active, healthy lifestyles.
- Produced more than 275 informational videos in FY 2026, generating more than 261,900 views on YouTube, reflecting a 12% year-over-year increase and demonstrating the City's ongoing commitment to engaging the community through accessible and dynamic digital content.
- Hosted a Hurricane Preparedness clinic for pet owners, providing free microchips and rabies vaccinations to more than 150 animals.
- Performed more than 3,400 veterinary surgeries for animals in the care of Animal Services.
- Expanded our partnership with the FSU College of Music through its Community Music Program, introducing youth participants in City parks programs to new music and experiences.
